

Publications

The Finnish Rheumatism Association publishes the [Reuma magazine](#) which is issued four times a year to members and stakeholders as an edition of 45,000 copies.

Our most popular online service is the [Reuma-aapinen](#) (in Finnish) published in Finnish and Swedish ([Rheumatism ABC](#)). It offers valuable information to professionals, people with RMDs and their friends and family.

We also publish guides for patients and professionals alike related to health and RMDs, as well as other information.
